A Word From McKelvie

S. R. McKelvie, publisher of The Nebraska Farmer, has been so successful in his business that his statements about farm papers should be given careful consideration. He says: "First of all, a farm paper should be practical and dependable. Second, it should be so free from unclean advertising (patent medicine, liquor, etc.) that every member of the family can read it. Third, it should stop when the time is out. Fourth, it should sell at the lowest possible cash price without the use of premiums."

Mr. McKelvie has brought The Nebraska Farmer—"Nebraska's Real Farm Paper"—up to its present high standard by observing these policies. HIS DECEMBER HALF PRICE OFFER

The regular subscription price is \$1.00 per year in advance. But we are authorized to announce that, during DECEMBER ONLY, any reader of this paper who will clip this notice and send it to The Nebraska Farmer, Lincoln, Nebraska, with \$1.00, will receive The Nebraska Farmer every week for TWO FULL YEARS. This is certainly a bargain. Don't fail to accept it.

WILL MAKE NEW LOAN

Fair Association Appoints Committee to Make New Loan and Plat Off West End Lots

The executive committee of the Box Butte County Fair Association

met Tuesday evening at the city hall to handle business which needed attention at this time. A. D. Rodgers, Fred Mollring and E. T. Kibble were elected committee for the purpose of acting with the president and secretary of the association in securing a new loan on the fair grounds.

The new loan will be for \$4,200 or \$4,300. There is now due the Lincoln Land company as balance of the purchase price the sum of \$2,973. In addition to this there is due premiums awarded at the county fair last fall as well as some other obligations.

The proceeds from the new loan will be used to pay off all the present indebtedness. The committee was also instructed to plat off about four blocks on the west end of the grounds for the purpose of selling as residence lots in the spring. There are a number of desirable residence lots in the west end of the grounds should bring enough to pay off all indebtedness and clear the property and grounds of debt. This will also leave plenty of room for fair purposes in the grounds.

It is not expected that the money with which to pay off premiums, etc., will be available until after the first of January, as it will take some time to complete the new loan.

A marriage license was issued at Judge Berry's office Wednesday to Gilbert Ruth and Louise Nuffeler.

EVANGELIST WILL

COME IN JANUARY

Series of Revival Meetings Will Be Conducted During January by Evangelist Whiston

Robert Whiston and wife, noted evangelists, will conduct a January meeting in Alliance, beginning about the fourth. Mr. Whiston is called the "Gatling Gun" evangelist, and has preached in 32 states, his meetings averaging over 100 additions. He and Mrs. Whiston do the special singing and excel in duet and solos. A new hymnal will be used, one of the best and latest published, and a large chorus will assist.

One special feature of the Whiston meetings is the fact that the services last but an hour and a quarter, but every minute is full. The evangelist is a live wire and keeps things moving. The church will have to move fast to keep up with him. The North Platte meeting, just closed, added 127 to the Christian church and \$7,000 was raised by Evangelist Whiston at dedication. Plan to attend these meetings.

DEER HUNTER COMES HOME

consin forests for a month and who came out the day before Thanksgiving, returned to Alliance Monday morning, brown as a berry and looking years younger than when he left. Judge Gilman says he gained seven pounds in weight and feels great after the big hunt. He secured his share of the game.

LARGE CROWD AT HOUSE WARMING

A Splendid Success Made of Entertainment at Christian Church Friday Evening

The house warming at the Christian church last night was a splendid success as everybody seemed to enjoy themselves very much.

Much credit is due the Christian church ladies for the splendid lunch they served and the quick way in which they waited on the large crowd that had assembled there.

Pastors Barrett and Torrence of the Baptist and U. P. churches, respectively, made splendid addresses. There were some fine musical numbers besides those given by the Alliance band. There was a splendid feeling thruout the entire evening, and this is to be complimented, as a fine feeling among the churches is to be desired.

Conductor Bill Johnson left Alliance Wednesday night for New York. From there he will go to Florida.
